State Netball Centre

Captains Responsibility Schedule

State Netball Centre

Reserves the right to refuse the nomination or renomination of any team, based on previous seasons' behaviour or otherwise attained knowledge of that team which would, in their opinion, deem them unfit to participate in social competitions at the State Netball Centre.

The SNC Social competition strongly supports the Netball Queensland values of Respect, Teamwork, Professionalism and Inclusivity. As such, all teams are reminded that this is a social competition that is focussed on involvement and enjoyment for all players, umpires and spectators.

Nomination

This document is to be read in conjunction with the Rules and Regulations of the State Netball Centre. Complete the Nomination Form (over) and return it to the State Netball Centre.

Game and Season Fees

The game fee of \$91 is to be collected by the Captain and paid prior to your team's game.

A 10% discount is offered to existing teams who currently play in the competition.

Season fees need to be paid by direct deposit prior to the commencement of the season. Teams who pay season fees in advance and who have byes or are forfeited to can use these credits to pay for finals or, if not involved in finals, have the balance carried forward to the new season. Credits cannot be used to pay for forfeits.

Direct Deposit Payment

Teams who wish to pay their season fees in advance may do so by direct deposit, which is required to be received no later than Wednesday 5th July 2017. Please use the following details: **Account Name** – Netball Queensland Ltd **BSB** 014-202 **Account No.** 406970285 – please use your Team Name and Grade as the payment reference. Only whole team payments will be accepted using this method (not individual player payments).

Forfeits

All forfeits (including finals) incur a forfeit fee of \$182, payable prior to the commencement of your next scheduled game. Also, 2 competition points will be deducted. Teams who forfeit twice in a season will be removed from the competition and lose their team payment.

SNC Player Membership

As Captain, it is your responsibility to ensure your players have a current SNC Player Membership valid at the State Netball Centre prior to their 1st game. Players without an SNC Player Membership are ineligible to play and are not insured.

Registration is a two-part process. Players need to register their details online through the My Netball website as well as making a \$50 bank transfer to Netball Qld using the following details; **Account Name** – Netball Queensland Ltd **BSB** 014-202 **Account No.** 406970285. **Ref;** Your Name & Team Name if space permits.

The Player Membership year commences in January each year (Season 1). Once paid, the player is eligible to participate in any social competition conducted at the State Netball Centre until the expiration of the Player Membership which is at the end of Season 2 in the current year (December).

On the Night

You should (a) arrive 15 minutes prior to game time, collect your team card from the games counter, tick the players playing that night (add any new players), collect your teams game fee and deliver both back to the games counter prior to taking the court (b) have your team on court, bibbed and in position by the commencement of your game time.

Game Times & Draws

Can be viewed via the Netball QLD website. Under the tab, *Play Netball* choose *Social Netball* and the draw can be found under the heading *Draw, results and ladders*. The draw can also be viewed on the MyNetball App. You can view all draws, results and premiership ladders. Your team's draw will be available on MyNetball at 9am on the Friday before the 2nd week of the season and it is the Captains responsibility to inform their players of game times. Captains will be notified if changes are made throughout the season.

Grading

Each nomination should provide details of the team's ability/present grade. Final grading decisions will be made before the fourth round of the season. The Social Programs Officer will consider all information and grade each team appropriately in the context of the competition. There will be no re-grading during the season.

Uniform Regulations

Uniforms must be worn by all teams. Uniform guidelines attached. Any fill in player must be in an appropriate playing uniform. No exceptions. Bibs are available for hire from the competitions office for \$2.

Nails, Jewellery & Piercings

Fingernails should be short and smooth (to the umpires' satisfaction) or gloves worn. No item of jewellery, except a wedding ring and/or medical alert bracelet shall be worn on court. If either or both are worn, each shall be taped. No adornment that may endanger player safety shall be worn. The umpires' decision is final. Players may not take the court with concealed piercing jewellery and by doing so you are putting yourself and others at risk of injury and will therefore be liable for any resulting injuries.

Player & Spectator Behaviour

As captain, you will be expected to encourage only positive behaviour within your team and from your sideline supporters. Foul language, bad sportsmanship and any other behaviour deemed to not be in the good spirit of the game will result in players being sent from the court at the discretion of the Umpire. Spectators will also be removed. Umpire abuse will not be tolerated from anyone; competition is not possible without umpires. Players who are repeatedly reported for foul language or aggressive behaviour will be removed from the competition, and, unless the offending player is removed from the team, the team will not be offered renomination in any subsequent competition. Players who are sent off can face further disciplinary action at the discretion of the Social Programs Officer.

Fill in Players

Fill ins who are members of another team playing on the same night should not be written on the team card as they cannot become qualified players in more than one team and are unable to participate in finals as a fill in player.

Scorers

Each team is required to provide a scorer to every game in the State Netball Centre Social Competition. If a scorer is not provided, this will result in a player being removed from the court to undertake scoring duties. The minimum age for a scorer is 15 years of age. The official scoresheet will be deemed to be the result.
