

## Quick Reference Guide: NSG Withdrawal

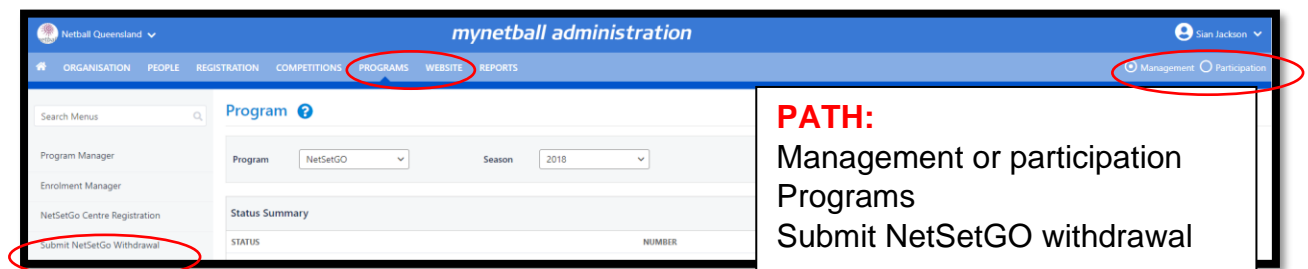

The submit withdrawal form is to be used when de-registering a NetSetGO participant.

**The process below is the same whether you are an Association or Club. Associations complete this in either mode, Management or Participation, while Clubs complete it in Participation Mode.**

Associations can manage their de-registrations under **Management** or **Participation**.

Clubs will not have the option to choose between management or participation, they will just be in participation.
