

FAQs

How can you clean post pads if you need to leave the court immediately? Please nominate one or two people to stay back an extra 30 seconds to get the job done.

How will players be managed for a blood rule? Blood rule will be managed on the players bench where possible by Team Manager/Primary carer and a medic called where required who is wearing full PPE.

How do manages collect balls at allocated times and access venue if well prior to their first game? Manages will be allowed in for relevant reasons (same for afternoon session).

Does no BYO tents include tents that Associations were going to bring for parents? No BYO tents for parents at all.

Does the fenced area included bus drop off and pick up? No, this area is outside the fence.

Are we allowed to bring netball hoop to set up in tent city? No, this will encourage social gatherings of teams.

Is there a designated drop-off point for players? Yes, please use the drop off zone.

Will be providing recycle bins in each tent for bottled water. Not for each tent, we have ramped up recycle facilities.

Players can come straight in, do coaches and Managers have to sign in? Yes, players can come straight in and everyone else who enters the venue must sign in using EVA check-in and receive a wristband.

Can the 12s and 13s be released to their parents and re-enter to watch afternoon games? Only if they are there to support a sibling, only two people per court are able to spectate for any one player.

Are siblings allowed in with parents as spectators? Yes, they are included as a spectator, only two people per court can spectate any one player.

Can we use an on-site tap to fill hydration station?

Unfortunately not, please bring filled and these cannot be re-filled throughout the day.

Can we leave anything in tent city (chairs)? Yes, at your own risk. The venue will have gates closed and security on-site.

How many officials be courtside with the team? Anyone other than the coach or team manager will be captured as spectators and included in the 40 person per court

capacity. Association representatives will be the first to be asked to leave over a parent/spectator there for a child.

If parents leave the venue between games, will they need to check out and in or can the one wristband cover them? The wristband will be cut off when leaving and the person will be advised to check-out. Anyone trying to re-enter will need to check back in and be issued a new wristband. If capacity is reached, we cannot guarantee entry.

Can box fruit be brought in to share or does it have to be individually wrapped. Box fruit is ok, however please avoid multiple people putting their hands in the one box. Perhaps lay fruit out on a table or have the Team Manager hand the fruit to the players.

Is there limited number in the chill out area? The food vendor space has a capacity of 190 people. Everywhere else is only limited by venue capacity.

Do players need to vacate the venue in between sessions? Yes and not return to the venue as they are not playing in the second session.
