	1:00 PM	GOLD	W1v4 v W2v3		vs		Show
	2:15 PM	PRESENTATIONS					Show

Rationale:

- Two stadiums will be in operation. The show court will have a slightly larger seating capacity during the preliminary rounds.
- Additional seating will be set up on the show court for the semi finals & finals matches.
- All TAS games will be played on the show court to maximise attendance & financial return on ticket sales.
- Both age groups from the same state are never scheduled to play at the same time.
- Recovery time between the end of a morning session match & afternoon/evening session for every team is at least 4 hours.
- All semi finals matches will be played on the show court. Court 2 will be used as the warm-up court.
- Five of the eight finals matches will be played on the show court.
- Timings can be condensed further on Finals day if matches are played across two courts simultaneously. This is not the preferred option & will be implemented as a contingency if airlines change team flights.
- Evening sessions have been scheduled to assist Netball Tas in recruiting a volunteer workforce.
- 75 minutes has been allocated to each match which allows for a 15 minute FOP warm-up.
- The allocation of teams to time slots on semi finals & finals day will be communicated to teams the day before to allow appropriate recovery time for all teams & to ensure that no state has both teams playing at the same time.

2021 NATIONAL NETBALL CHAMPIONSHIPS

Hobart

12. Allocation of teams to seedings is based on the 2019 final placings given there was no tournament in 2020.

13. Round 5 afternoon/evening sessions have now been scheduled to be played during the am period to enable greater recovery for all teams prior to round 6

14. No team plays last in the first session and then first in the second session of any two session day of competition.
