## INSURANCE

**Insurance underpins the way in which Netball can be facilitated within Netball Queensland's jurisdiction. Netball Queensland's Member Associations have access to Netball Australia's National Insurance Program, through affiliation with Netball Queensland. Netball Australia's insurance broker is Howden.**

Howden

[Netball Australia's National Insurance Program - Home Page](#)

In the first instance, questions concerning the National Insurance Program are best directed to representatives of Howden:-

Please note that this section only references insurance relating to what is available through affiliation with Netball Queensland.

It does not consider the individual circumstances of your organisation, where additional and / or separate insurance policies may be required to be taken out by your organisation, for example, due to the condition of your venue hiring or funding that was obtained to develop or build facilities.

If your organisation does have an existing insurance policy where coverage is offered through affiliation with Netball Queensland, your organisation is more than welcome to contact Howden to discuss whether there are any overlapping areas of the insurance coverage in question.
