Does your organisation within Netball Queensland's Community (Member Association, Community Member or Affiliated Club or a Member Association) wish to request a virtual NetballConnect training session?

These training sessions can either cover a broad overview of the platform (for new committee members or people who have recently acquired NetballConnect responsibilities for an organisation) or specific aspects of NetballConnect modules to deepen and build on an organisation's existing knowledge base and depth.

If this sounds like something of interest, please complete the prompts on the following webform:-
