

# STRATEGIC PLANE 2023 – 2025

Netball Queensland acknowledges the Traditional Custodians of the land on which we live, work and play. We acknowledge their Elders, past, present and emerging. In particular, we pay our respects to the Turrbal and Yuggera peoples, who are the Traditional Custodians of the land which our home office, Nissan Arena, is situated.

弘

Mar Mar Marth

We pay our respects to ancestors of this land, their spirits and legacy which remain linked to traditional lands and waters. Our First Nations peoples give strength, inspiration and courage to current and future generations of Queenslanders, both First Nations and non-First Nations.

Strategy is all about choices, the choices you make under competition and uncertainty in order to achieve your vision.

Netball Queensland's Strategic Plan 2023-2025 outlines the choices we are going to make over the coming three years as we strive toward our vision of being the most played and supported sport in Queensland.

We operate in an increasingly complex and cluttered environment where the wave of support and engagement in women's sport from codes traditionally dominated by men is significant. We need to work harder than ever to be the sport of choice for women and girls and put more energy into learning from others as we welcome and embrace a participation and audience base more inclusive and reflective of our society. We have defined what "winning" means for our organisation and have made choices that will make it happen and create value.

This document outlines where we are going to spend our main efforts. In year one of our strategic plan, Netball Queensland will focus on consolidating and reinforcing our foundations and will select a few key initiatives to deliver really well. In year two, we will start to implement some bigger moves to grow our sport. In year three, we will get bolder and capitalise on the work we have put in during the previous years.

Netball Queensland also commits to working cooperatively with our fellow Member Organisations and Netball Australia in pursuit of growing and promoting the game we all serve.

### **RECONCILIATION ACTION PLAN**

Netball Queensland's Reconciliation Action Plan was launched in April 2022.

As stated by Reconciliation Australia ... "at its heart, reconciliation is about strengthening relationships between Aboriginal and Torres Strait Islander peoples and non-Indigenous peoples, for the benefit of all Australians."

Netball Queensland's Reconciliation Action Plan is an important step along our cultural journey.

Through our RAP, Netball Queensland has formalised our commitment to reconciliation by embedding a framework to turn our intentions into practical, meaningful actions and outcomes.

Our organisation will hold itself accountable to the commitments outlined in our RAP. We hope to be an inspirational example and support to others who may be contemplating a RAP as part of their cultural journey.

FIND OUR RAP ON THE NETBALL QUEENSLAND WEBSITE.

THE FUTURE REIGNITED. HEALING SMOKE, UNITING FLAMES ARTIST **RACHAEL SARRA (Goreng Goreng)**
