

COACHING DEVELOPMENT

The content in the **Coaching section of Netball Queensland's website (<https://qld.netball.com.au/coaching>) has recently undergone an overhaul with plenty of information being updated on the website.**

[Beginning your Coaching Journey](#) – a landing place for Associations seeking to locate resources for first time coaches, either for their own Association or their Member Clubs.

[Coaching Accreditations](#) – information on the National Accreditation Scheme (NAS) operated by Netball Australia and how people can enter the accreditation scheme and for those already on the scheme, what tasks are required over the four year maintenance window to renew their accreditation for the next four year window. Also contains frequently asked questions about the NAS.

[Coaching Workshops](#) – an overview of the non-accreditation workshops that Netball Queensland currently facilitate.

[Coaching Resources](#) – this is where the Netball Queensland created resources for coaches throughout Netball Queensland's jurisdiction can access (these resources are set for release in 2023). Also contained in this section are other resources that are relevant for coaching Netball in a range of various settings and with a diverse range of audiences.
