Dear Affiliated Netball Australia Associations and Clubs,

I hope this email finds you well.

I'm pleased to inform you that Howden Insurance Brokers, in collaboration with Coalition Underwriting, now offers comprehensive cyber coverage tailored specifically for affiliated netball clubs and associations.

We're excited to announce that we've streamlined the process of obtaining cyber coverage for affiliated netball clubs and associations. To make it as convenient as possible for you and your clubs, we've developed an online questionnaire.

Completing the questionnaire is quick and easy, and it allows us to gather the necessary information to provide tailored cyber coverage for your clubs. The data received from the questionnaire will then be passed across to the insurer to allow us to produce an efficient quote.

Simply follow the link below to access the questionnaire:

By filling out the questionnaire, you'll help us better understand your clubs' needs and customize the coverage accordingly. Our team will then handle the process efficiently, ensuring a seamless experience for you and your clubs.

To help you understand our cyber proposition better, we have also attached some collateral marketing material. This material provides insights into the coverage we offer and how it can benefit your clubs and associations.

We believe that our cyber coverage will provide valuable peace of mind to affiliated netball clubs and associations, allowing them to focus on their core activities without worrying about the potential consequences of cyber threats.

For more information about our cyber coverage, including details on coverage limits, premiums, and eligibility criteria, please don't hesitate to contact us directly on 1300 420 370 or [netball.aus@howdengroup.com](mailto:netball.aus@howdengroup.com)

Thank you for your attention, and we look forward to serving you and your affiliated clubs and associations.

Warm regards,
