

Bulk Team Registrations

Clubs and Associations can now bulk register teams to competitions that they are either affiliated or have been invited to by the Competition organiser. This function allows the clubs and Associations to use already created teams and nominate them to multiple competitions. This would be usefully when registering for Summer Seasons, short season and Carnivals.

To bulk register a team, select Teams

The screenshot shows the NetballConnect Home dashboard. At the top, there's a navigation bar with 'Home', 'Maintain', and 'System Updates'. Below this, there are four cards for 'Actions Required': 'Actions' (89), 'De-Registration' (2), 'Transfer' (0), and 'Offline Refund Required' (0). A navigation sidebar is open on the right, with 'Teams' circled in red. Other items in the sidebar include Home, User, Registration, Fixtures, Match Day, Communication, Shop & Tickets, Officials, Finance, and Websites. At the bottom, there are summary statistics for 'Revenue: Last 7 days' and 'Users: 2024'.

Filter by year, Competition, and Division to locate teams.

The screenshot shows the NetballConnect Teams page. At the top, there's a navigation bar with 'Teams'. Below this, there are two filter boxes: 'Year' (set to 2024) and 'Competition/Program' (set to Resources 2024). Below the filters, there are two tabs: 'Participants' and 'Teams'. The 'Teams' tab is active, showing a table of teams. A dropdown menu for 'Division' is open, showing options: All, Unassigned, Div, Cadets, Net, Set, Go, Social. The table below the dropdown shows columns for 'Division', 'Grade', and 'Status'. The first row is 'Blue Cadets' with a grade of '7*' and a status of '7/7'. The second row is 'Diamond Div' with a grade of '8*' and a status of '8/8'. The third row is 'Purple Cadets' with a grade of '6*' and a status of '6/6'.

Select the team/s
