- Division 4

1.3 Uniforms

1.3.1 Netball Queensland has developed an inclusive uniform policy to provide guidance to Affiliated Associations and their Clubs. The policy applies across all Netball Queensland events and is aligned with Netball Australia's Uniform Guidelines.

1.3.2 Netball Queensland recognises the functional and representative purpose team uniforms have had and continue to play in sport, while also acknowledging the ways in which they can inadvertently act as barriers to participation for people of different genders, cultures and abilities. Netball Queensland is committed to removing barriers to ensure netball is accessible to all and supports decisions that best allow people to bring their authentic selves to any facet of the game. Netball Queensland encourages and will support Affiliated Clubs and Associations to adopt adaptable, flexible and enabling uniform policies that prioritise comfort and safety in all its dimensions.

1.3.3 **Players:**

Associations and Clubs must approve the uniform of any team.

Uniform options

All teams can play in an approved uniform consisting of the following articles of clothing provided the team plays in the same colour and/or design and that no part of the uniform options cover the positional bib:

- A dress
- A singlet
- A bodysuit
- A tee shirt, long or short sleeved
- A skirt/skort
- Shorts
- Long pants either lycra or track suit style
- Any other adaptive clothing or approved item

Uniform options must cater for all weather conditions, so players are protected from the sun and/or cold weather conditions. To promote equity Associations and Clubs are encouraged to offer all uniform options at a similar price point.

1.3.4 **Umpires:**

- The umpire uniform must be able to be distinguished from player uniforms.
- It is recommended that Associations and Clubs allow match officials to choose any combination of uniform items to wear in the manner they find most comfortable, including:
 - Upper body – Short or long-sleeved shirt or singlet in solid colour or specifically designed.
 - Lower body – Pants, skirt or shorts in solid colour or specifically designed.
- Umpires may wear head coverings for religious reasons. Such head coverings must be:
 - made of soft material.

- non-flowing, with edges held securely or tucked into the shirt.
- For the purpose of Netball Queensland's competitions, Umpires are required to wear a predominantly white top and all black or all white bottoms.

1.3.5 Please refer to World Netball Rules of Netball 2024 Manual for regulations pertaining to footwear and bibs

1.3.6 Associations may identify a sponsor's logo or team logo on the playing uniform up to a maximum size of 64cm². Associations may identify a manufacturer's logo on the playing uniform up to maximum size of 16cm². Sponsor, team and manufacturer's logos may only appear once on anyone (1) garment. Both may appear on the one garment. It is not permitted to display a sponsor's or other name on positional patches.

1.3.7 Uniform Approval Process

Each Association must submit their Representative uniform options to the Competitions team. Any changes during a season must be provided in writing to the Competitions team.

Association Decision Matrix

Allow individual players in each team to choose any combination of uniform items. However, Associations should ensure that these items are of similar design to create continuity of uniforms throughout the team and assist umpires to officiate the game, for example:

- T-shirts, singlets, or long sleeve t-shirts must be the same design.
- T-shirts, singlets, or long sleeve t-shirts must still be able to clearly display a playing positional bib.
- The choice of bottoms must either include the same design as the dress/top or be all black, all white, a designated solid colour or team colours.

Uniforms must not present a genuine safety risk to the wearer or other players (i.e., open pockets, buttons, or zippers).

Players are not required to justify their choice of uniform. However, players may be required to provide information pertaining to items they wish to wear to allow the Club or Association to facilitate that uniform choice.

It is acceptable for players to wear head coverings for religious reasons. Such head coverings must:

- Be made of soft material.
- Be non-flowing, with edges held securely or tucked into the shirt.
- Not cover positional bib.
- Be tied on or fastened by clips and non-sharp pins.
- Be all black, all white, a designed solid colour or team colours.

Head coverings should be included as an item in a club's uniform options for a competition.

If jewellery is not able to be removed for religious / medical reasons, it is the player's choice to play with them, and this player accepts the risks involved.

Jewellery which cannot be removed for religious / medical reasons should be covered with padding / tape as necessary to prevent injury to others. Jewellery or other items which cannot be securely covered or taped must be removed.

1.3.8 For more information, please check the Netball Queensland Inclusive Uniform Policy on our website: <https://qld.netball.com.au/>

- 1.5.4 Team Managers of players who sustain injury or illness and are required to miss games, may need to have the injury or illness verified in writing by Sports Medicine Personnel for the player to be granted concessions that are stipulated by their own Association.

1.5.5 Personal Accident Claim Form

1.5.6 How to lodge a personal accident insurance claim:

- Please visit <https://www.howdengroup.com/au-en/netball-australia/playing-members>
- Select the following claim form to complete, as there is more than one (1) claim form on the above webpage (they differ depending on when the injury is stated to have occurred):
- Claim form for personal accident claims sustained on, or after, 1 April 2024.
- Complete each section of the claim form as completely, and honestly, as possible. The declaration by your Association / Club must be completed by an authorised representative of the Association / Club. Incomplete sections within a submitted claim form (including, but not limited to, the Association / Club section) will likely cause a delay in assessment, and processing, of the claim.
- Please submit the claim form (as well as any supporting documentation) to the entity stated within the claim form. This entity will also double as the same entity who can provide you with updates concerning the claim, not Netball Queensland or Howden.

- 1.8.3 Association who hire a Site for Senior State Age can only supply their own marquee, no external tent companies will be permitted.

2. COMPETITION STRUCTURE

2.1 Competition Format

- 2.1.1 Netball Queensland reserves the right to use the competition format it believes is the best for the age group and number of teams nominated for the competition.
- 2.1.2 The Event will comprise four (4) age groups
 - 15U Girls – born 2010
 - 16U Girls – born 2009
 - 18U Girls – born 2007-2008
 - Senior Boys – born 2007 – 2010
 - Male players who are not registered members of an Association will become temporary members for this event and be covered under insurance of the competition paid under the registration fee.
- 2.1.3 Associations may allow players to play up one age group without seeking permission from Netball Queensland. However, association must seek permission to have any players play down an age group.
- 2.1.4 Except for the Boys Competition, there will be up to (4) Divisions within each age group, referred to as:
 - Division 1 – Championship
 - Division 2 – Challenge
 - Division 3
 - Division 4
- 2.1.5 The number of teams within each division may vary across age groups depending on the number of nominations received. Netball Queensland will endeavour to ensure teams across all age groups and Divisions play a similar number of games throughout the event.

- 2.1.6 Teams will play all teams within their division over the four-days of competition. At the end of the four-days final rankings will be determined based on ladder standings.
- 2.1.7 The timing of matches are determined by Netball Queensland. No team can change the match or break length without approval from Netball Queensland staff. Any infringing team will lose the match in question. If the infringing team has already recorded a loss then the score will stand. If the result is a draw or win to the infringing team a score of 10-0 will be recorded for the non-infringing team.
- 2.1.8 Senior Boys division structure will be determined once registrations have closed, and team numbers are finalised.

2.2 Daily Game Scheduling

- 2.2.1 The Event will be conducted in a split format with a morning and an afternoon/evening session taking place. Split of divisions will be confirmed once registrations have closed and numbers are finalised. Exact timing will not be known until all team nominations are received but is anticipated to be approximately six (6) hour sessions.
- 2.2.2 Based on nominations reaching capacity, teams can expect to play between 16-19 games across four days. There may be individual variations depending on the number of nominations in specific age groups and divisions, but every attempt will be made to keep these allocations as even as possible.

2.3 Player Minimum Halves Requirements

- 2.3.1 Netball Queensland strongly supports the implementation of player minimum halves and equitable playing times for all players. It is up to the individual Associations, Coaches and Team Managers to ensure that this is upheld. The enforcement of minimum halves is ultimately the responsibility of the Association to ensure that players are provided with appropriate amounts of game time.
- 2.3.2 Minimum half requirements should be calculated across the **entire four-day event**. For the avoidance of doubt, players need to play their minimum halves across the event, not in each game.

2.4 Final Placings

- 2.4.1 Teams will play every team in their division across the four-days of competition. At the end of the four-day the teams that is ranked first on the ladder based on points will win the division.
- 2.4.2 If teams are tied on points at the completion of all matches, the final positions will be decided by the following method.
- Goal percentages achieved by each team – highest to lowest (i.e. goals for divided by goals against multiplied by 100).
 - If two (2) teams are tied according to goal percentages to two (2) decimal points, the results of the match between the two (2) teams concerned during the rounds will decide the winner.
 - If the two (2) teams drew their match, or if more than two (2) teams have the same number of points and percentage at the end of the matches, then goal difference will be applied (i.e. the difference between goals for and goals against).

- In the event of a further tie, the team scoring the most goals during the four-days will secure the higher-ranking position.
- If the teams are still at a further tie, the team with the biggest margin of victory in a single match throughout the rounds against any of their opponents will decide the winner
- In the event of a further tie, a coin toss will decide the winner with the Association who comes first alphabetically choosing which side of the coin is the winner. The coin toss will be conducted by the Competitions team and Host Association representative.

2.5 Team Nominations & Eligibility

- 2.5.1 Associations may enter a maximum of two (2) teams per age group in the initial registration stage. Associations will then have the opportunity to submit an Expression of Interest to enter a third team. Depending on registration numbers, Associations that submitted an Expression of Interest will be invited to register a third team. See Appendix 1 for registration dates. The link for third team EOI's can be found on the Netball Queensland website ([Senior State Age \(15-18\) - Netball Queensland](#)).
- 2.5.2 Except for the Boys Competition, there will be up to (4) Divisions within each age group, referred to as:
- Division 1 – Championship
 - Division 2 – Challenge
 - Division 3
 - Division 4
- 2.5.3 Associations must specify their preferred Division for each team nominated, however this does not guarantee teams will be placed in that Division. Associations will have the right of appeal.
- 2.5.4 Divisions will be allocated based on aiming to provide a similar number of games to all teams and providing teams with the best opportunity to play more of their games against teams of a similar standard.
- 2.5.5 For 2025 Senior State Age, each age group will be monitored carefully and a capacity limit may be enforced upon reaching **80 (or as otherwise suitable to fit within timing and court constraints)**. To ensure this is managed effectively the following guidelines will apply.
- Each Association's nominated number one team will gain automatic entry to the event as long as all eligibility and nomination requirements are met as outlined in this document.
 - Should a capacity limit need to be enforced, teams will be put into a waiting list for their age group for which the order of priority will be:
 - Number one team for an Association
 - Date and time of nomination
- 2.5.6 There will be three (3) different nomination fees for 2025 Senior State Age. This fee will be determined on the location of the Associations.
1. Associations within 500km of the Host Association (INA) - \$700 (GST included).
 2. Associations more than 500km from the Host Association (INA) - \$100 discount (\$600-GST included)
- Associations more than 500km from the Host Association will need to pay for registrations in full (\$700) and email competitions@netballq.org.au with a copy of their receipt/payment details and NQ will reimburse \$100 for each team nominated.

3. Boys Teams - \$450 (GST included) based on them playing over two days and not four.

This fee is **non-refundable**. Unless the volume of nominations dictate that some teams are not able to be accepted than any nomination fee paid will be refunded fully.

2.5.7 Player, Coaches, Managers and Umpire self-registrations need to be completed through NetballConnect. Please note that there may be exceptions to this rule and Netball Queensland will advise Associations and Teams if another process is deemed acceptable.

2.5.8 Associations must register one (1) umpire per team nominated. Names and contact details of umpire(s) must be provided. An excel spreadsheet will be sent to Associations to list and rank registered umpires.

2.5.9 Associations who are unable to provide their own Umpires should contact Claire Kleinschmidt (Workforce Development Manager) at Netball Queensland to discuss their situation and their requirements. Netball Queensland will do their best to provide umpires however it is up to the association to ensure an umpire is allocated to **EACH** team. If a team cannot provide an umpire their team will not take the court and no refund will be given.

2.5.10 Nominated Umpires must be eligible under Clause 4.2.

2.5.11 A team nomination will only be considered with the completion of the Team Nomination Process and payment of the required nomination fee by the due date specified in Appendix 1.

2.5.12 Team Nomination Process

- For your team nomination to be accepted, the following needs to be completed.
 - The Team Nomination is lodged through NetballConnect
 - All umpires and team officials are to be registered on NetballConnect – unless directed otherwise by Netball Queensland
 - All players are to be registered on NetballConnect by **Wednesday March 12, 2025**
 - Tents and Ice can be purchased through NetballConnect at time of registration or at later date through the shop. This option will close and Netball Queensland will not accept any late purchases
 - There will be NO option to invoice
 - Ice can be purchased during the event at the administration office by an association representative

2.5.13 Late nominations will be accepted at the discretion of the Netball Queensland Competitions team.

2.5.14 A nomination is considered late if any of the components in Point 2.5 are not completed by the Team Nomination Process due date as specified in [Appendix 1](#).

2.6 Grading & Appeals

2.6.1 The size of divisions will be determined by the number of nominations received per age group. Following the closing date for nominations division's structure will be finalised.

2.6.2 Divisions will be reviewed after nominations close and teams allocations will be finalised based on the following;

- Divisions nominated into at registration.
- Previous Team results at State Age.
- Previous Association results at State Age.
- Knowledge from Regional Managers.

- 2.6.3 Netball Queensland will then share the Draft Division allocations with all nominated teams and their managers provided an opportunity to appeal.
- 2.6.4 Associations will have a limited time frame to appeal divisions allocations. If an Association wishes to appeal a division allocation, they must send an email to Competitions@netballq.org.au by **March 03, 2025** with the following included:

- 2.7.2 If a team reaches less than eight (8) players during the competition, Netball Queensland should be notified immediately. NQ will work with the team to ensure that player safety is kept as the priority for the duration of the competition.
- 2.7.3 During the competition, if a team reaches eight (8) players, they may apply for an exemption to the squad list to Netball Queensland.
- 2.7.4 Should your Team make any changes to the team list after player registrations have closed, The Team Manager must contact Netball Queensland to adjust the team list and ensure the new player is registered.
- 2.7.5 Senior State Age is a *participation* event and whilst NQ does not discourage anyone from playing, players in the HART Sapphire Series (including Ruby) are considered *performance* and are likely to be above State Age standard. It is also the view of Netball Queensland that one of these players may take a position away from a potential emerging player.
- 2.7.6 Boys who have represented the Queensland Suns at a National Competition (AMMNA) would also be of a standard that is considered above State Age.
- 2.7.7 **Senior State Age is not a selection tournament. Selections for underage State Teams occur at State Titles**

2.8 Composite Representative Teams

- 2.10.1 Players with dual membership (i.e. registered at two (2) or more Associations in the given year) must choose one (1) Association in which they will play for in the given calendar year in any of the Netball Queensland competitions including the Event.
- 2.10.2 Players are only eligible to represent an Association if they have participated in regular season fixtures with that association

2.11 State Age Awards

- 2.11.1 Calculations for all Association awards will only be taken from the top two performing teams in each age group. Any third teams will not be considered.
- 2.11.2 The **“NQ Performance Award”** recognises the Association who based on registered number of participants (from the previous year) (aged 15-18) has performed the best. The calculation for this will be as follows: (sum of Ranking Points from the Association’s teams) / (number of registered playing members aged 15 to 18 in the previous year of the event).
- 2.11.3 The **“Champion Association”** award, will be awarded to the Association with the most overall ranking points, based on the finishing position of the Associations’ teams. The Boys division will be worth half the points, please refer to [Appendix 2](#) for more information about final points and placings.

- 2.11.6 Awards will be presented at the Closing Ceremony. Netball Queensland will engrave the perpetuals and keep them on site at Netball Queensland. If winning Associations wish to take a photo with the perpetual they must write to Netball Queensland and permission will be granted. It will be up to the Association to return the perpetual within two months of the following Senior State Age in the same condition.

2.12 Rolling Subs (Substitutions)

- 2.12.1 2025 Senior State Age will have rolling substitution.
- 2.12.2 Teams will be allowed to make substitutions during play, this includes during stoppages and intervals. There is no limit to the number of substitutions that can be made, and more than one substitution may be made at any time. Play will not be held up for substitutions.

2.12.3 The substitutions zone may or may not be marked out on the Court. Substitutions must occur in front a team bench.

2.12.4 The incoming player must wait until the player being replaced exits the court before entering the field of play.

2.12.5 Players must observe the offside rules when entering the court. Failure to do so will result in a sanction in line with [World Netball – Rules of Netball 2024 edition](#) rule offside with the free pass awarded where the ball was at the time of the infringement or at the point of the infringement which ever favours the non-infringing team.

- 4.2.6 Umpires must be ready to commence matches at the time specified in the program.
- 4.2.7 Reserve Umpires: To ensure there will be a reserve umpire available on every game, **Umpire 1** will be required to stay at their court after the match until both umpires for the next game arrive. Once both umpires have arrived the reserve umpire may leave.
- 4.2.8 Should your Association make any changes to the registered umpires after nominations have closed, please email coachandofficials@netballq.org.au as soon as possible prior to the relevant event.
- 4.2.9 It is the responsibility of the Umpire to be fully aware of the Rules and Regulations of the Event and matches.

4.3 Scorers

- 4.3.1 All matches will be Live Scored.
- 4.3.2 One (1) scorer must be supplied by each team for each match.
- 4.3.3 NQ will provide NetballConnect guides to help prepare Managers for their live scoring responsibilities.
- 4.3.4 Up to Eight (8) officials (2 scorers, 4 Coaches and 2 umpires) are the only personnel, aside from participating teams' bench players, permitted in the players' area between the courts. For the safety of players, umpires and spectators, all other spectators must be in the designated viewing areas.
- 4.3.5 The two (2) scorers are responsible for recording the score and MUST sit together

5. CONDUCT OF EVENTS

5.1 General

- 5.1.1 The Coach and Manager's meetings will be conducted via two (2) online meetings in the lead up to the event. The dates for these are outlined in [Appendix 1](#). It is recommended that all

Associations be represented at the Manager's meeting. Those who take part in the meeting agree to ensure the information is distributed to all within their Association. Recordings of the team meeting and the slideshow presentation will be sent to all Team Managers/ those that registered the teams.

- 5.1.2 Netball Queensland will be using NetballConnect and the Senior State Age Hub as a communication system during the event. Links to and further information about these platforms will be included in the regular communications sent to registered teams.

5.2 Player Movement

- 5.2.1 Players must play in their designated age group as per clause 2.1.2, unless they meet the conditions outlined in clause 2.1.3 or 5.2.2
- 5.2.2 When a team has injured or has unavailable players during the Event, teams may borrow players from their teams in lower age divisions or from their second team in the same age group (only once they reach eight players). Association's must seek permission from the Netball Queensland Competitions team if a player is required to play in a different team to the one they are registered under. For the avoidance of doubt, a player can only play one division higher than their actual age group. Once a player has been listed on another team's team sheet three (3) times they must remain in the higher team for the duration of the event.
- 5.2.3 In a situation where an injury or unavailability occurs, and the team is reduced to less than eight (8) available players, the Association may move players up from younger age divisions within their own Association or from their second team in the same age division. No team should have less than eight (8) players available. No player may move up more than a single age Division. In extreme circumstances, where an Association has multiple players withdrawn and are unable to recruit any other registered members of their Association, they may seek to recruit a "local" player as an import.

Association's must seek permission from the Netball Queensland Competitions team if a player is required to play in a higher age group.

6. MATCH RULES

6.1 General Rules

- 6.1.1 The competition will be played under the rules outlined in the [World Netball Rules of Netball 2024](#).
- 6.1.2 Duration of game: Match playing times for matches will vary depending on the number of team nominations. Match times for each event will be displayed on the website prior to the event.
- 6.1.3 Once a score has been submitted in netball Connect it will be taken as the one and only true score for the match. If a discrepancy is to be brought up to the NQ competitions team, it must be submitted by both scorers of the match. Both scorers are to be present for the entire match. If only one scorer presents the score discrepancy, the score submitted in Netball Connect will be the only one counted. A score cannot be disputed after the next match begins unless both scorers are present.

6.2 Match Points

- 6.2.1 Points will be awarded as follows:
 - Two (2) points for each win.
 - One (1) point for a draw or tie.

- Zero (0) points for a loss and a bye.
- Two (2) points awarded to a team if the opposing team forfeits (and score recorded as 10-0 to the non-infringing team).

6.3 Stoppages

6.3.1 Injury, Illness or Blood

- Stoppages for injury, illness or blood may occur as per the 'World Netball Rules of Netball 2024.
- Any stoppage for injury, illness or blood will require the player concerned to be removed immediately from the court. The player may be replaced and play continues or the player's position may be left vacant whilst play continues and the injured player is treated. In this case the player may return to the court at any time. If the injured player is a Centre, the Centre position must be filled but another position may be left vacant to allow the injured player to return to the court as described above.
- If the injury is serious enough to halt the game, Umpires must ascertain quickly from team officials whether the player will continue or be replaced to enable the game to progress.
- No extra time will be given for a stoppage.

6.3.2 In the case of wet weather please refer to Clause 7.2

6.3.3 Postponement

- Netball Queensland may determine that a match will be played later in the day if a spare court is available. This option must be agreed upon by both teams and must not impinge on any of the other matches. If both teams agree to a postponed match, the final result will be the one that is recorded in Netball Connect. If a team does not agree to postpone the match, the infringing who caused the delay in start will lose the match and it will be recorded in Netball Connect as 10-0 to the non-infringing team.
- Special or unforeseen circumstances may occur that requires the postponement of a match. It is at the discretion of the NQ competitions team to determine these circumstances. If they are satisfied that they exist, Netball Queensland is within their right to postpone any match to an allocated free court within the competition period. No team will have the right to dispute the postponement.

6.3.4 Forfeits or Delayed Starts

- If a game is late starting, due to one team not being present or ready to play, the infringing team will be deducted one goal per minute the game is delayed. This will be calculated on the following basis:
 - After one minute – 1 goal
 - After two minutes – 2 goals
 - After three minutes – 3 goals
 - After four minutes – 4 goals
 - After five minutes – 5 goals
 - After 6 minutes – 6 goals.
 - After 6 minutes the game is officially forfeited and the score will be recorded as 10-0 in favour of the non-infringing team
