Umpire Your Own

Schools are required to supply one umpire per team registered. Primary Schools Cup will apply *umpire your own*. Umpire allocations are the responsibility of the School and the teams.

Finals Series Umpire Allocations

Netball Queensland’s Umpire Coordinator will select the umpires for the Finals Series for all divisions; Championship (Division 1), Challenge (Division 2) and Development (Division 3). Umpires selected for the Finals Series will be based on their performance throughout the weekend.

Netball Queensland’s Umpire Coordinator reserves the right to make umpire allocations outside of the ‘*umpire your own*’ format. This is to ensure umpire capability aligns with particular matches during the competition.

Umpire Payments

It is the School and Umpires’ responsibility to arrange appropriate payment with their nominated umpire. Please discuss this payment arrangement before the competition to avoid any unforeseen issues during or after the event.

Netball Queensland does not accept responsibility for umpire payments or negotiations, including where Netball Queensland assisted with sourcing and/or allocating umpires.

COMPETITION FORMAT:

Day 1 - Preliminary Rounds

Teams have been allocated into Preliminary Pools based on the School’s results from 2024 and geographical locations.

Championship (Division 1) Division

- 35 Teams
- 6 Pools
- 5 Pools of 6 Teams, 1 Pool of 5 Teams

Challenge (Division 2) Division

- 29 Teams
- 4 Pools
- 3 Pools of 7 Teams, 1 Pool of 8 Teams

Development (Division 3) Division

- 20 Teams
- 4 Pools
- 2 Pools of 7 Teams, 1 Pool of 6 Teams

During the Preliminary Rounds, teams will play all teams within their pool once. After the pool games have been played, teams will move into Playoffs to determine final placings. **All teams will be re-graded at the conclusion of Day 1. Schools will receive notification via Netball Connect once the Playoff Divisions & Draw (Day 2 Divisions & Draw) are available. Schools will also receive an email from competitions@netballq.org.au when this has been published Saturday evening.**

Team Rankings for the Playoffs will be determined by:

1. Ladder Position within your Preliminary Pool
2. Points at the conclusion of the Preliminary Rounds
3. In the event of a tie on points at the completion of the Preliminary Round matches, positions will be decided by goal percentage achieved by each team - highest to lowest (i.e. goals for divided by goals against multiplied by 100). This will automatically calculate on Netball Connect.
4. If two (2) teams are tied according to goal percentage to two (2) decimal points, the result of the match between the two (2) teams concerned during the rounds will decide the winner.
5. In the event of a further tie, the team scoring the most goals will secure the higher-ranking position.

Day 2 - Playoffs & Final Placings

Based on the results from Day 1, teams will be re-graded into new pools for Day 2. The structure for the Playoff Pools are outlined in this document.

Finals

Championship Playoff 1-6, Challenge Playoff 1-8 and Development Playoff 1-6 teams are the **only** teams in contention for the Grand Finals.

Grand Finals - Position 1 on the Ladder v Position 2 on the Ladder

Championship (Division 1) Grand Final - 3:55pm, COURT 1

Challenge (Division 2) Grand Final - 3:55pm, COURT 2

Development (Division 3) Grand Final - 3:55pm, COURT 3

The Grand Final matches are in addition to the round-robin matches on Day 2, and will generate on Netball Connect at the conclusion of the relevant Playoff Divisions round-robin matches.

Grand Final matches will enter *Extra Time* if scores are drawn at full-time. The following will occur:

1. There will be a one (1) minute interval at the end of full-time, during which teams may make substitutions and/or changes.
2. The Centre Pass is taken by the team entitled to take the next Centre Pass.
3. There will be no stoppages for injury/illness, and the player concerned must be removed from the court, if safe to do so.
4. During Extra Time, there will be two (2) four (4) minute halves. If scores are still tied at the end of extra-time, the match will enter *Extended Extra Time* and play will continue until one (1) team has a two (2) point advantage.
