

2026 Netball Queensland Competitions

State Age & Country Carnival:
Registration & Nomination Process

Brought to you by

STEP 1: Team Registrations

Team Registrations for the 2026 Senior State Age, Junior State Age and Country Carnival competitions are completed on the Netball Connect Shop.

To find the Netball Connect Shop:

1. Login to your Netball Connect account on the Netball Connect app,
2. Select 'More' (bottom-right corner) and scroll to the 'Shop' tab,
3. In the drop-down menus (circled in the screenshots below), select 'Netball Queensland' and the relevant competition, i.e. Senior State Age, Junior State Age or Country Carnival (the examples in this document follow 'Senior State Age')

1.

2.

STEP 1: Team Registrations

4. After selecting the 'Team Registrations' product, use the drop-down menu and quantity option to add the number of teams your Association is registering in each age-group.

NOTE - If your Association is registering more than one age-group (e.g. you are registering two 15U teams and two 16U teams):

- Select the '15U' option and change the Quantity to 2 > 'Add to Cart', then repeat steps for the following age-groups.

4.

The screenshot shows a mobile app interface for 'Shop'. The top bar is orange with a close button and the word 'Shop'. Below is a white card with the Netball Queensland logo and the title '2026 Senior State Age: Team Registrations'. The description reads: 'Team Registration for Netball Queensland's 2026 Senior State Age at Townsville City Netball Association on 11th to 14th April, 2026'. Below the description is a section titled 'Select Team Registrations' containing a drop-down menu with 'All categories' selected. To the right of this is a 'Quantity' input field with the number '1'. At the bottom are two buttons: 'ADD TO CART' and 'CANCEL'. Red annotations highlight the drop-down menu, the quantity field, and the 'ADD TO CART' button.

← 1. Select the age-group using the drop-down menu

← 2. Adjust the number of teams in the age-group selected

← 3. 'Add to Cart', and repeat for other age-groups

STEP 1: Team Registrations

5. After adding your teams to the cart, **double-check** you have included all of your Association teams for the competition. Once you have confirmed all teams are in the cart, follow the payment prompts to complete your Association’s Team Registration for the competition.
6. Once you have completed payment for your Association’s team registrations, you will receive a receipt listing the number of teams you have registered in each age-group to the competition.

STEP 2: Registration Form

2026 Senior State Age, Junior State Age and Country Carnival registrations OPEN on Monday 1st December, 2025.

Associations will be able to open registrations to these competitions from December.

To open registrations:

1. Log-in to your Association Administration Netball Connect account, select the 'Home' button (top-right corner) and click 'Registration',
2. Select the relevant competition in the 'Participating in Registrations' list,
3. Follow the prompts to add your Association's details in the registration form,

NOTE - when you input your Registration Form details, un-tick the *Publicly Display* boxes in the Membership Product types. This will ensure participants registering to the competition outside of your Association don't accidentally register to a public registration form found on the Netball Connect app. The 'Hidden Membership Types' registration link will need to be shared to your participants.

1. Click 'Open Registrations' once completed.

STEP 3: Team Nominations

After completing your Association registration form, you will be able to add your Association team nominations to the competition via your Association Administration Netball Connect account.

To complete nominations:

1. Log-in to your Association Administration Netball Connect account, select the 'Home' button (top-right corner) and click 'Teams',
2. Select the 'Action' button on the **right-hand side** (next to the 'Teams' search bar), 'Create a Team' and add your Team Name and Division,
3. Once you have added your Association teams, they will be listed under the 'Teams' column.

Double-check you have added all of your Association teams to the relevant competition.

NOTE - do **NOT** use Association acronyms in your team names (e.g. SCNA, BNA, TNA, HDNA, etc.)

For example, Tweed Netball Association:

TNA 15 Green is incorrect,

Tweed 15 Green is correct.

4. After adding your Association teams, click 'Submit All For Grading' and choose the 'Proposed Grade' for each team.

NOTE - Associations must specify their preferred division for each team nominated. More information on Team Nominations & Eligibility can be found in the Competition Manuals on Netball Queensland's website.

5. After choosing the grade for each team, click 'Submit'.

STEP 4: Team & Team Staff

Individual Registration

All players, coaches, managers and umpires are required to complete their own individual registration via their Netball Connect account. Participants must register with their Association. Participants can complete their individual registration once their Association have opened their Registration Form and shared the 'Hidden Membership Types' registration link with their participants (Step 2).

Participants imported to the competition via an Association Administration Netball Connect account are not registered to the competition, and will not be pushed through to Match Day on Netball Connect. **Only players who are registered through Netball Connect are financial members for the competition.** Associations and parents/guardians should check to ensure their participant/s are registered.

Participants can register with your Association using the 'Hidden Membership Types' registration link shared to participants from their Association.

STEP 4: Team & Team Staff

Individual Registration

Once participants have completed their registrations, you will be able to add them to their team via your Association Administration Netball Connect account.

To add participants to their team:

1. Log-in to your Association Administration Netball Connect account, select the 'Home' button (top-right corner) and click 'Teams',
2. In the *Participants* column, you will find all participants that have registered with your Association. Drag and drop these participants to the relevant team. The 'Excl. Assigned' tick-box is automatically selected, and will remove the participants name from the 'Participants' column after they have been added to a team. You can un-tick the 'Excl. Assigned' box to view all registered participants, or alternatively, use the filter and searchbox option to find participants.
